Mezzanine facility granted to GrundStein increased

Mezzanin Finanzierungs AG recently increased a mezzanine facility originally granted in the beginning of 2009 to the Berlin based real estate developer GrundStein

Bauträgersgesellschaft für Altbausanierung mbH. As flexible financing partner Mezzanin Finanzierungs AG sustained the real estate company on its growth path with this second round of mezzanine financing.

GrundStein Bauträgersgesellschaft für Altbausanierung mbH (GrundStein) focused on the development of premium residential real estate projects in preferred locations in Berlin, benefits from the persistent demand for apartments for investment purposes. Several real estate objects with large potential offer premium investment opportunities for the experienced real estate developer GrundStein in the dynamic German capital.
